

## SUPPLEMENT A

### STATE OF RHODE ISLAND PHARMACY PLUS WAIVER APPLICATION

#### SUMMARY OF STATE-FUNDED PROGRAMS PARTIALLY SUBSUMED BY PHARMACY PLUS WAIVER

##### **Program Description**

**CMAP:** state-funded Community Medical Assistance Program, administered by the RI Department of Mental Health, Retardation and Hospitals, that provides residents with the high cost prescription medications necessary to treat chronic mental health conditions that otherwise would require institutional-level services.

**GPA:** state-funded program, administered by the RI Department of Human Services, that provides cash and medical assistance to individuals 19 and older who are incapacitated due to potentially disabling diseases and conditions that require therapeutic drug treatment.

**RIPAE** is the Rhode Island Pharmacy Assistance Program for the Elderly, the state-funded program administered by the RI Department of Elderly Affairs that subsidizes the cost of prescription drug medications for Rhode Island seniors who do not have Rx coverage -- i.e., uninsured or exhausted benefit.
